---

---

**Date:** 9/14/09

**To:** All GEYF Participants, Parents, and Coaches,

**From:** Ron White  
Executive Director GEYF

**Subject:** League Directive (**Medical Treatment Clarification**)

In the event of game time injury or illness GEYF participants will be both medically assessed and monitored by certified medical staff provided by Golden Empire Youth Tackle Football and Cheer. Throughout the medical assessment and monitoring process, GEYF Medical Staff will have sole authority as to determine a participant's fitness to return to the action (football or cheer). Any coach who attempts to impede the medical assessment or monitoring process will be relieved of his or her duties immediately.

It is important to note that not even a child's parent or guardian will be allowed to determine whether or not a GEYF participant can return to game action (football or cheer) once GEYF Medical Staff has ruled that participant ineligible to return. Any parent, guardian, and or individual attempting to impede the medical assessment or monitoring process will be removed from the league permanently.

First and foremost, Golden Empire Youth Tackle Football and Cheer is dedicated to the safety and security of all its participants, family members, friends, and volunteers. As an organization we take extreme measures to ensure everyone is safe and your cooperation in this matter is greatly appreciated.

Sincerely,

Ron L. White  
Executive Director  
Golden Empire Youth Tackle Football
