

GOLDEN EMPIRE YOUTH FOOTBALL & CHEER

Out of Area Participant with Parent or Guardian employed by a high school district:

- Any parent or guardian who is currently employed by a “High School District” as either a “Certified staff member or a “Classified staff member wishing his or her child to play out of his or her prospective GEYF high school district/regulated geographical area, must meet the following criteria.
- Prospective participant must play within the specific high school district that his or her parent/guardian is employed with. **Example:** If prospective participant has a parent/guardian employed at Centennial High School as either a “Certified or Classified Employee”, the prospective out of area participant would be required to play for the GEYF Falcon Program.
- Prospective out of area parent/guardian must submit both an application and appropriate documentation to the GEYF Board of Directors as to determine the eligibility of his or her participant to play out of area. Example of appropriate documentation for submittal purposes would be a letter from his or her high school district indicating his or her specific place of employment and job class.
- High school district employees not assigned to any one specific high school, as well as stipend or non stipend “walk on - coaches will not be eligible for this exemption.
- Prospective out of area participant with parent/guardian employed within a high school district devoid of a GEYF Program such as the West High School, and meeting all pre approved out of area criteria, will be given the option of playing in the GEYF programs corresponding to that particular high school district. **Example:** A prospective parent/guardian employed at West High School as either a “Certified and or “Classified employee would have the option of having his or her child play for the GEYF Wolverine, Raven, or Central Program.
- At the onset of yearly registration, prospective out of area parent/guardians would be required to resubmit both an updated application and appropriate documentation for out of area consideration.
- **Staff member defined for the purposes of this GEYF Policy:**
 - (a) Certified individual must be assigned one or more teaching, counseling, or administrative periods.

(b) Classified Individual must be assigned as a regular member of the classified staff.
