Golden Empire Youth Tackle Football

Ejection Policy 2024:

First Ejection: Any Golden Empire Coach, Player, and or Participant ejected from a league sanctioned game/event will automatically be suspended for the next week's game and or event and the following week's practice activity unless severity of ejection circumstance warrants accelerated action at the sole discretion of the Golden Empire Youth Tackle Football Executive Board.

Upon approved request, the ejected party may be present for the following week' game as a spectator only, see individual protocol below:

- The Player may be on the sideline to support his or her team but not dressed out for play, nor eligible to play. Team Jersey can be worn in support of his or her team.
- The coach may attend the game as a spectator only and must remain in the stands at all times.
- Ejected Coach cannot coach nor communicate with his staff or players in any capacity during this period and any attempt to circumvent the "Ejection Policy" can and will result in further adverse action.
- Ejected parties will not be allowed at practice during the following week's "Ejection Period".

In the event of an ejection, the **"ejected party"** must leave the premises immediately and without delay. Failure to leave the premises expediently may result in further adverse action including but not limited to further suspension and or removal from the organization.

If a player/participant is ejected and does not have onsite parent/guardian present, said player must be escorted out of the immediate playing area by GEYF Staff until such time his or her parent can be contacted for pick up from location.

Second Ejection: In the event a second ejection occurs within the same season, there will be an automatic three-week suspension, and the ejected party will be under formal league review that may result in immediate termination from the organization.

Third Ejection: In the event of a third ejection in the same season, there will be no review and there will be an immediate and permanent expulsion from the organization.

All ejected parties will accept decisions of officials as being fair and called to the best of the officials' ability.

The Golden Empire Youth Tackle Football Executive Board will uphold on field Ejection decisions from game officials as being made to the best of their professional ability while maintaining organizational purview on all matters.
